

Conferences

We've all been to conferences that seem to drag on, no matter how relevant and useful the purpose and material may be. It's a daunting task to keep your attendees focused and engaged over several days of workshops, meetings, and activities. Kicking things off with a HOJA show will energize your attendees in a way that will carry through the rest of the activities you have planned for them. We will make your entire conference more effective and memorable because of our presentation. We promise.

Here are some of the benefits we can offer for your conference:

- Our show is clean, tasteful, and appropriate for everyone.
- Our show has something for everyone. From doo-wop to rock, disco to country, 80's music to current hits, each attendee will enjoy hearing something from their favorite era.
- Our show has wide appeal for a variety of personality types. Our energy and vocal percussion inspire a lot of audience participation, and because it's all done with our voices and features great harmonies it impresses even those audience members who don't normally appreciate a typical rock 'n roll show. From the most outgoing audience members to the most reserved, our show ensures that everyone has a great time.
- Your attendees will be smiling, energized, and feeling GOOD after our performance, which sets an excellent tone for the rest of your conference.

*"I would absolutely have to say that HOJA **made** our event. Thank you for making our day such a success! In the words of one of our attendees: 'The thing I liked most about our day was HOJA!'"*
- Dorothy Lacoste, NAIT (Northern Alberta Institute of Technology), Edmonton, AB

"The performance of HOJA provided a very enthusiastic opening to our conference. The whole group valued the upbeat and animated performance, and you set the tone for a very successful conference. HOJA was talked about all through the conference, and I received many thanks for your entertainment."

- Donna St. Onge, Canadian Association of Pre-Retirement Planners, Saskatoon, SK

"Finding corporate entertainment that appeals to a wide variety of tastes can be a challenge. HOJA was a breath of fresh air! Booking this group was almost effortless. Our conference goers were treated to a repertoire that easily moved from doo-wop to country to top 40 rock. HOJA delivered on what they promised – a professional, high-energy performance that absolutely hit the high notes with our crowd!"
