

Corporate – Client/Customer Events

If you're a successful corporation looking to impress your clients, you want fantastic, polished, professional entertainment. We are seasoned veterans who have been professional entertainers for over 15 years, performing for half a million people nationwide. We take our musicianship, stage banter, audience rapport, entertainment value, and professional conduct very seriously. Your clients will be thoroughly entertained, highly impressed, and will thank you for bringing in the best entertainment they've ever seen.

Here are some of the benefits we can offer for your client/customer event:

- Our show is clean, tasteful, and appropriate for all audience members.
- Our show has something for everyone. From doo-wop to rock, disco to country, 80's music to current hits, each audience member will enjoy hearing something from their favorite era.
- Our show has wide appeal for a variety of personality types. Our energy and vocal percussion inspire a lot of audience participation, and because it's all done with our voices and features great harmonies it even impresses those audience members who don't normally appreciate a typical rock 'n roll show. From the most outgoing audience members to the most reserved, our show ensures that everyone has a great time.

“The annual ball typically draws a middle-aged crowd –with all types of individuals and businesses in attendance, from engineers to tradespersons, consulting firms to construction companies. With such a diverse audience it can be difficult to please all in attendance; however, by the end of the performance HOJA had everyone engaged, clapping, and even singing along to their songs! They did an excellent job interacting with the crowd, by the end of their show nobody wanted it to be over! The gentlemen from HOJA were a pleasure to work with, and went out of their way to ensure the crowd they were entertaining would enjoy what they had to offer. I would recommend HOJA to any coordinator looking for entertainment for such an event, they did a magnificent job!”

- Chelsea Wright, AREVA Resources, Canadian Institute of Mining, Metallurgy & Petroleum

“We had several clients comment that this year's entertainment was the best yet in 21 years of hosting this event. We would heartily encourage others who are looking for an hour of high energy, fun, and fantastic musicianship to consider hiring HOJA.”

- Richard Starke, Lloydminster Animal Hospital, Lloydminster, AB

“HOJA did a great job at my formal social event. This group is professional and very entertaining. HOJA was the highlight of the evening and I received many positive comments from my guests.”
