

Corporate – Staff Events

A staff party or appreciation event, especially the company Christmas party, is often the most important thing that you do to reward your staff for a great year. It's very important that everyone have a great time in order for this to be effective. We can help make it the best one you've ever had, whether you prefer a family setting or if your party caters to a more adult-aged crowd.

At Christmas time, in addition to the repertoire and antics of our usual show, we add a couple of Christmas songs that everyone can sing along to and enjoy. This is our most popular time of year, so contact us as early as you can to secure your date.

Here are some of the benefits we can offer for your staff event:

- Our show is clean, tasteful, and appropriate for all ages.
(please see our additional Audience Age-Group Pages to find out how we tailor our show towards either a family audience or an adult-aged audience)
- Our show has something for everyone. From doo-wop to rock, disco to country, 80's music to current hits, each audience member will enjoy hearing something from their favorite era.
- Our show has wide appeal for a variety of personality types. Our energy and vocal percussion inspire a lot of audience participation, and because it's all done with our voices and features great harmonies it impresses even those audience members who don't normally appreciate a typical rock 'n roll show. From the most outgoing audience members to the most reserved, our show ensures that everyone has a great time.

"I have been organizing this event since 1999 and we have never had such an entertaining evening. I will absolutely and unconditionally recommend HOJA to any group that is organizing an event. For anyone that is planning a function at which you want to reward your staff, this group is the one you want."

- Fern Yausie, City of Saskatoon Light & Power, Saskatoon, SK

"Our staff ranges in age from early/mid 20's to low/mid 60's, with a few retired members attending (in their early 70's). Throughout the performance by HOJA, the audience could be heard clapping, laughing, and singing along. Comments afterwards and since were very positive with 'good choice' and 'fantastic' being used to describe the performance. I would definitely say that the value for our money was met. We would certainly consider booking HOJA again in the future."

- Peggy Marshall, Stark & Marsh Chartered Accountants, Swift Current, SK

"The feedback from the guests at our Christmas Party was excellent. Everyone enjoyed HOJA's performance. There were lots of laughs and great audience participation. We would recommend HOJA for any company gathering."
