

Here's what people are saying about HOJA!

*"People say that the entertainment you book either makes or breaks your party/gathering. With that said, I would absolutely have to say that HOJA **made** our event. The high energy and camaraderie that these three guys have is incredible. They played a wide variety of songs that appealed to all. We clapped, hooted and hollered, and had a barrel of laughs with them."*

- Dorothy Lacoste, NAIT (Northern Alberta Institute of Technology), Edmonton, AB

"HOJA hit the stage singing and dancing, and had the audience captivated in the first 30 seconds of the show. Their energy and enthusiasm was infectious! The guys were a delight to work with before, during, and after the concert."

- John Barth, Lakes District Arts Council, Burns Lake, BC

"With such a diverse audience it can be difficult to please all in attendance; however, by the end of their performance HOJA had everyone in the audience engaged, clapping, and even singing along to their songs! The gentlemen from HOJA were a pleasure to work with, and went out of their way to ensure the crowd they were entertaining would enjoy what they had to offer."

- Chelsea Wright, AREVA Resources, Canadian Institute of Mining, Metallurgy & Petroleum

"HOJA is an incredibly well-rehearsed group with soaring vocal harmonies, phenomenal beatboxing, and an overall sense of fun that resonated with the crowd. The music was excellent, and it was hard to believe there were no instruments involved. The incredibly realistic drum, bass, and guitar sounds were created with the group's vocal chords. They proved they could handle doo-wop material familiar to older audience members, 80's hits for the 30-somethings, and current tunes for the youth."

- Sam Thompson, Virden Empire Advance, Virden, MB

"The energy and talent of the performers was obvious. We were particularly pleased with the way they got the audience members involved. We would heartily encourage others who are looking for an hour of high energy, fun, and fantastic musicianship to consider hiring HOJA."

- Richard Starke, Lloydminster Animal Hospital, Lloydminster, AB

"It was particularly clever of you to tailor your songs to our audience. All enjoyed asking our 'cowboy' president to join you in a song. Your collective talent and range of voice were outstanding."

- Donna St. Onge, Canadian Association of Pre-Retirement Planners, Saskatoon, SK

"Their choice of musical selections was perfect and their ability to get the crowd to interact was very effective. Their high energy and showmanship are outstanding. HOJA is a must to see, to hear, and to experience. They definitely create the 'WOW' factor for their audiences."

- Jill McDougall, Midwest Shrine Association, Regina, SK

"From the perspective of the presenter, I can also say that they were hardworking, reliable, enthusiastic, and willing to go the extra mile."

- Karen Oliver, Provincial Exhibition of Manitoba, Brandon, MB

"The members of HOJA bring all the equipment they need for the performance and require virtually nothing from the presenter. The group arrived on time and were a real joy to work with; they are truly some of the nicest young men I have ever had the privilege of meeting. The performance was absolutely wonderful and completely enjoyed by every age group. When they were gone, the stage area and the dressing room were left in immaculate condition, many times this is not the case. I have the highest regard for the talent and the caring manner displayed by the members of HOJA."

- Dolores Pearson, Delia and District Community Centre, Delia, AB
